# About the Society

To promote the noble cause of education, **All India Shri Shivaji Memorial Society** was established in 1917 by **Rajarshi Chhatrapati Shahu Maharaj of Kolhapur** and **H.H. Madhavrao Scindia, Maharaj of Gwalior**.

The foundation-stone of the **All India Shri Shivaji Memorial** was laid at the hands of **His Royal Highness, the Prince of Wales**, on 19th November, 1921. The original plan for the famous building housing Shri Shivaji Preparatory Military School was conceived by Tata Construction Co. later redesigned by Rao Bahadur Jagtap. The construction was completed in the year 1931.

It was built with a prominent and imposing statue of Chhatrapati Shivaji Maharaj. The statue was executed by famed sculptor Nanasaheb Karmarkar. It weighs around 20 Tons.

The building created such an excitement that it was inspected by **His Excellency Col. Lang**, the then Commander-in-Chief, Southern Division, and also by **Major Shamires** of the Maratha War Memorial Fund.

Substantial patronage was received from **His Excellency Lord Reading, the Viceroy of India** and **Sir George Lloyd, erstwhile Governor of the then Bombay Province**.

Today, the Society is running 13 Institutions in different fields of education, and has completed 82 years of meritorious service with an enviable blend of traditional values and contemporary teaching methodology.

The policy decisions about the functioning of the organization are taken in the meetings of the Governing Council of the Society. There are various committees (e.g. Managing Committee, Building Committee, Purchase Committee, etc.) at the Society level to take the decisions.

These decisions are communicated to the concerned Institutes of the Society and regular feedback on the implementation of these decisions is taken. At the individual Institutional level, committees like College Governing Body and Local Managing Committee are formed as per the norms, which take decisions on the routine college activities.
