**Frequency of meetings:** Twice in a year  
**Date of Last Meeting:** 06/06/2017
9. Organizational Chart:
The policy decisions about the functioning of the organization are taken at meetings of Executive Body, Governing Council and Management Council of the Parent Society. There are different committees (e.g., Building Committee, Purchase Committee etc.) at the Management level to implement the policy decisions so taken. These decisions are also communicated to the concerned Institutes and Regular feedback on the implementation of these decisions is taken. At the individual college level, committees like College Governing body and Local Management Committee are constituted as per the norms which take care of the developmental plans and routine college activities.
10. Student Feedback mechanisms on Institutional Governance/Faculty Performance:
A feedback form has been prepared to document the feelings of the Students about the College and more specifically about the Academic and Extracurricular activities. These feedback forms are distributed to the Students usually in the last week of October (i.e. end of first academic term) and last week of March (i.e. end of second academic term). The filled up forms are then sent to the concerned committee for screening and finding the conclusions. The concerned in consultation with the Principal then take appropriate measures to attend the weaknesses. Besides this, the suggestion box for the students has been wall fixed at class room wing. The committee takes periodic review of the suggestions/complaints so received.

11. Grievance redressal mechanism for faculty, staff and students:
The grievance redressal committee has been constituted comprising of 6 faculty members (2 gents and 4 ladies) and 1 student from each class. This committee is headed by Head of Institution of the college. The meeting of this committee is usually held on the last Friday of every month to consider the Grievance/complaints of any of the faculties/students regarding any of the people/functioning system of the college. After thorough discussions, proper decisions are taken in individual cases.
