REPORT ON EXPERT LECTURE/DEMO/TRAINING/INTERACTIVE SESSION/WORKSHOP/SEMINAR/CONFERENCE/ACTIVITY ATTENDED

Activity/Event/Topic Name: - Industrial visit to Emcure Zuventus, Bhosari, Pune.

Organized by (Institute Name/Address/Venue): - AISSMS College of pharmacy and Emcure
Zuventus.

Start Day and Date: - 28/03/2023

Time: - 9:30 am

End Day and Date: - 28/03/2023

Time: - 1:30 pm

Detailed Description of Activity Attended:

An engrossing industrial visit to Emcure Zuventus took place on 28/03/2023. The following faculties from our college Dr. Reshma Mirajkar, Mrs. Shital Patil, Mrs. Vidya Wable, Ms. Ankita Ingale and Mr. Abhijeet Valvi attended this visit and witnessed various interesting ideas and knowledge. Various departments were visited such as formulation, packaging and analytical. It was a very interesting and informative visit.

Outcome/Usefulness:

This activity leads to a valuable Industry- Institution interaction. The ingenious ideas obtained from the panel discussion with the industry people resulted to a lightening talk and gave a new view in order to have theoretical knowledge going parallel with the practical approach.

REPORT ON INDUSTRIAL VISIT BY FACULTY AND STUDENTS OF AISSMS COLLEGE OF PHARMACY PUNE-01

Activity Name: - INDUSTRIAL VISIT

Day and Date: - Wednesday 12th & 13th January 2022

Organized for: - M-Pharm Student

Details of Industrial Visit/Contact Details): -Synergen Bio Pvt. Ltd. Research Institute, Sai chambers,101-104, Old Mumbai –Pune Hwy, Opp. Bajaj Showroom, Wakadewadi, Shivaji Nagar Pune, Maharashtra 411003

Coordinator Names: T& P Cell AISSMS College of Pharmacy Pune-01

Description of Activity (Detail, Attendance, etc):

AISSMS College has organized an Industrial visit of two days for M-Pharm students of Semester IV at Sai chambers, 101-104, Old Mumbai –Pune Hwy, Opp. Bajaj Showroom, Wakadewadi, Shivaji Nagar Pune, Maharashtra 411003 on 12th & 13th Jan.2022 (Thursday & Friday) accompanied by 4 staff members viz., Mr.Jitendra Gajbe, Mr. Omkar Devade, Dr.Santosh Gandhi &, Dr. Monica RP Rao, The purpose of the visit was getting exposing the student to industrial clinical study concerns i.e., Clinical Guideline, bioequivalence study, Quality control, pharmacy department and medical coding. The key insights of the visit were different departments of clinical testing, documentation, diagnostics, sample withdrawing, dosing, inpatient data and record keeping. Facility systems utilized there like Centrifugation, Deep freezer, LCMS, HPLC, etc.They guided the entire visit physically at the different departments and in-depth information had given on various studies, sophisticated instruments/equipment, Operation method and technology. The Entire program has been Co-ordinated by TP Cell under the Guidance of Principal Dr. Ashwini R. Madgulkar.

REPORT ON INDUSTRY VISIT ORGANIZED

Activity/Event/Topic Name: - Visit of Industry- QbD Purple Advanced Technologies Pvt. Ltd.(QPAT)

Start Day and Date: - Wednesday, 14/09/2022 Time: - 2:00pm-6:00pm

Organized for (student class/staff): - M.Pharm (Pharm.Chemistry)

No of Participants: Girl: 06 Boys: 06 Staff: 02

Details of Activity:

QbD Purple Advanced Technologies Pvt. Ltd.(QPAT),Baner, Pune

Dr Sandeep Kale- Director QPAT; Mobile Number: 9594351422

Coordinator Names: Dr T. S. Chitre, Mrs K.D. Asgaonkar

Expenditure Details (if any): Nil

Description of Activity:

Students and Staff of Pharm. Chemistry dept. visited QPAT on 14th Sept 2022. Dr Sandeep Kale, Director of QPAT gave a presentation on importance of different processes used during synthesis. He also guided students about the scope of the process industry and different skills expected for placement in the field of synthetic chemistry. Students were able to actually see different pilot scale equipments such as High and low pressure filtration assembly, automatic HPLC, latest Continuous Column chromatography, Spray drier, Rotatory evaporator.

Outcome/Usefulness: This Industry visit has helped the students to see latest pilot scale equipments used for different processes during and post synthesis of drugs or API's. This interaction will be helpful to the students to plan and implement different synthetic process in their research work. Interaction with Industry personnel has motivated the students to acquire skills required for employability. This visit has helped the staff to implement newer process in the research work and also improve their course content.

Report on Facility Educational Visit to Serum Institute of India Pvt. Ltd., Hadapsar on 25/01/2020 (2019-20)

Faculty of AISSMS College of Pharmacy visited Serum Institute of India Pvt. Ltd., Hadapsar on 25/01/2020. Faculty was welcomed by Mr. Vishram Vaidya, Manager, Rabbits Vaccine Production and gave introduction about Serum Institute, its products (Sera and Vaccines) as well as their contribution in Swaccha Bharat Abhiyan through short films in the auditorium. Followed by visit was organized to various units where staff was provided information on automated filling lines, process of vaccine production, fermentors and systems involved.

The College development committee member Dr. S. S. Jadhav, Executive Director, Serum Institute of India Ltd. and his associate Dr. Y.C. Dhake helped in arranging the visit. The visit was coordinated by Dr. Santosh Gandhi. We are thankful to Principal, Dr. Ashwini R. Madgulkar and Management of AISSMS for giving us opportunity to visit Serum Institute of India Pvt. Ltd, Hadapsar which was very informative and useful for faculty.

Report on Central Instrumentation Facility Visit at SPPU (2019-20)

Students of M. Pharmacy (Sem I) visited Central Instrumentation Facility Center at Savitribai Phule Pune University on 11/10/2019. The students were accompanied by faculty Dr. M. C. Damle and Dr. S. V. Gandhi. The visit was arranged for demonstration of the highly sophisticated instruments which are part of their theoretical syllabus of Modern Pharmaceutical Analytical Techniques. The demonstration of instruments like GC-MS, LC-MS, Single Crystal XRD, FE-SEM and NMR-500 MHZ. The demonstrative explanation was provided by Mrs. Archana Patil and Mr. Umesh Kasabe from CIF center.

We are thankful to Principal, Dr. Ashwini R. Madgulkar and Management of AISSMS for giving us opportunity to visit Central Instrumentation Facility Center, which was very informative and useful for students as well as faculty.

Industrial visit report

Electrolab Pvt LTd, Mahape, Navi Mumbai

15th March, 2019-

A batch of 19 inclusive of teaching faculty & F.Y.M.Pharm (QAT department) students visited Electrolab Pvt Ltd on 15th March 2019, from 9:30 am – 5:30 pm. The agenda for the meeting was as follows

Timing	activity
9.30 - 11.30am	Electrolab product range introduction and discussion
11.45 - 12.45pm	USP apparatus 1,2,5,6 Demo batch 1 Demo batch 2
12.45 - 1.45pm	USP 4 Demo batch 1 Demo batch 2
2.00 - 2.30pm	lunch
2.30 - 3.30pm	USp 3,7 Demo batch 1 Demo batch 2
3.30 - 5.00 pm	DT , Friability and Hardness tester demo
5.00 - 5.30 pm	Concluding remarks

Purpose-

To study the validation & calibration of laboratory equipment and to understand its applicability .

Introduction

A warm welcome was given by **Dr. Namita Varde** , (application scientist at Electrolab) & who was our guide for the visit

The introductory part of the visit had begun with familiarizing their products especially the dissolution apparatus with its modification. A detailed presentation on these equipments with their USP specifications & compliance was presented. A set of dissolution tools with its variants was shown.

This was followed by an explanation of the validation procedure for these equipments with special emphasis on the Operational Qualification tests.

After the lunch, there were demo sessions for USP Apparatus 3, 7 and bathless version of the apparatus 3. The dissolution apparatus 4 which was connected to autosyringe & HPLC was shown with special emphasis on the critical parameters (shaft rpm, temp monitoring, cleaning, sampling intervals) of operating them.

Also a demo on double drum friabilator, disintegration test apparatus & degasser was presented along with a brief idea of performance testing.

A very important aspect of the visit i.e the OQ testing of dissolution apparatus 2 with the help of calibration toolkit was demonstrated.

Following tests were conducted under OQ-

1. wobble testing,
2. shaft centering
3. distance of the shaft from the bottom of the vessel
4. speed of shaft rotation
5. paddle height
6. vessel centering

visit ended on an interactive session with the cofounder of electrolab Dr.Bharat Jhaveri and receiving certificates from him.

PTI Activity (Industry visit) 16th February 2019

Dr. Dhananjay Bakhle, father of Ms. Bhairavi Bakhle studying in FY B. Pharm., is working at Lupin Ltd., as Executive Vice-President (Medical Research). He was requested to allow teachers' visit to Lupin as an initiative towards faculty development. He was kind to organize this visit on Saturday 16th Feb 2019.

Principal Dr. Ashwini R. Madgulkar and teachers visited the Lupin facility at Nande Village, Tal. Mulshi at 11 am on 16th February 2019. The bus for transport was kindly provided by AISSM Society.

Dr. Bakhle and his two colleagues, Dr. Laxmi Narasimhan and Dr. Verma welcomed all. They provided a presentation regarding various activities at Lupin Research Park, various departments and specialised equipments. This was followed by visit to Drug Discovery lab and Toxicology research laboratories. These house highly sophisticated equipments for experiments on cell lines, well maintained animal study areas, multi-crore equipments like LC-MS/MS, SFC, NMR, Preparative UHPLC etc. Photographs were not permitted as a company policy.
