### Three Most Significant facts about performance of Mentor Mentee System at HEI

1. We are regularly helping students to overcome their personal issues, which make them confident and grow well in their professional carrier. Following is the summary of counseling of such students who have done their counseling through Professional mentors of **Indian institute of Holistic healing (IHHI)** appointed by AISSMS Society. This facility is available to the students free of cost.

### Summary of Mentoring by Indian Institute of Holistic Healing (IHHI) for last three years

Sr.No.	Academic Year	Total number of students	Total number of hours
<u>1</u>	<u>21-22</u>	<u>85</u>	<u>110</u>
<u>2</u>	<u>22-23</u>	<u>65</u>	<u>137</u>
<u>3</u>	<u>23-24</u>	<u>42</u>	<u>108</u>

#### Evidence for this fact:

Testimony of our B.Pharm Passed out student Suda Jain: She is currently perusing her MS in New Jersey. But after her admission in 2017-18, she was considering to drop out of the college, but counseling session by Mrs Priya Patwardhan from IHHI helped her.

**She has expressed her opinion as:**

In my First Year, I was introduced to our college's counseling program. Priya ma'am not only helped me find a balance but also redirect my focus. I had a hard time settling in this new environment and counseling helped me ease into it. Talking to her once a week helped me work on my issues and improve them both personally and academically. I highly recommend this for all students as this will help you in the long term. Counseling helps you in both your personal and professional lives and trust me you will appreciate these small changes over a span of time.

Further, during Corona pandemic the counseling session facility was available online also. AISSM SOCIETY had created Helpline and contact numbers of Counselors of Institute of Holistic Healing (IIHH), Pune were displayed on the website for students benefit and all students were apprised about the online counseling facility and the link.

- 2. Counseling sessions by teachers motivate students for co curricular and extracurricular activities.**

**Evidences for this fact:**

- A. Student Maitrayee Upadhyay was motivated for participation in National level Elocution and she actually received a cash prize as winner.

**MaitrayeeUpadhyay : On winning the National Level Elocution competition. Thanks ma'm for encouraging me to participate**

- B. Amey Gavaskar is our AIR Ranker 1 and Shruti Vaidya is in BITS. Both are currently persuing their PG. and they were mentored by their mentor teachers. And their Testimony is the proof of this.

My mentor - Mrs. Kalyani Asgaonkar was always helpful and supportive in guiding me throughout my studies and also about the extra-curricular activities. She guided me about various competitions and how to approach them and these competitions and guidance always helped me in developing my personality. I am very thankful to my mentor Mrs. Kalyani Asgaonkar for guiding me in the right direction.

At AISSMS College of Pharmacy, we are facilitated by a mentee mentoring system. When I entered college, I could always find my mentor Mrs. Kalyani Asgaonkar guiding me in the right direction. We were at times regularly getting connected to our mentors through routine discussions. It was always easy to approach them for whatever doubts I had. As a mentee being a student, my journey to becoming a pharmacist was never easy but my mentor had got my back every time. I encountered different challenges. My mentor's constant support, I could cope with my biggest fear of biology and discovered a strong passion for the field of pharmacy. We were always connected to our college and were supported by our college through the mentoring system for the entire 8th sem curriculum. We all received constant encouragement, support, and guidance from our mentors which helped us stay motivated and concentrated to our goals.

### 3. Buddy Mentoring Activity:

We provide the Buddy mentoring system at AISSMS COP where the Third year students mentor the first year and further the same students in Final year college mentor the second year students as the senior students can advice and be a support system for their juniors in terms of career and enjoying the learning experience in college. One faculty member is always associated with these buddy mentor students to have a watchful eye.

This is the Testimony provided by one such mentee under Buddy Mentor:

The graphic features the AISSMS logo at the top. Below it, the name 'GAURI BADGUJAR' is written in large, bold letters. To the right, it says 'S.Y. B. Pharm AISSMS COP'.
