Institution facilitates student's, teaching and support staff representation and engagement in various administrative, co-curricular and extracurricular activities. This policy helps to keep students improve here involvement and maintain their socio-cultural wellbeing and to improve their interpersonal relations with each other and with all the stakeholders of the institute. AISSMS College of Pharmacy is committed to fostering an inclusive environment that celebrates diversity and promotes tolerance, harmony, and awareness of constitutional obligations among its students and employees. The college recognizes the importance of creating a space where cultural, linguistic, communal, and socioeconomic differences are embraced, and where everyone feels valued and respected. AISSMS College of Pharmacy's efforts in creating an inclusive environment centered around tolerance, harmony, and constitutional awareness demonstrates its commitment to nurturing well-rounded individuals who value diversity and understand their roles as responsible citizens. By instilling these principles in its students and employees, the college contributes to the development of a more compassionate and equitable society.

All the teaching, non teaching staff and students are exposed to various activities which helps to increase their mental wellbeing. Following various activities were organized which resulted in different awards and rewards to staff and students.
