## News & Events

VOLUME 10 | ISSUE 4 | April-June 2025

## Vision :

- To be amongst the top ten Pharmacy Colleges in India by imparting excellence in Pharmacy Education.
- Instilling research temperament in Pharmacy Students.
- Continuous upgradation of infrastructure to maintain high standards of education.

## Quality Policy :

- The AISSMS College of Pharmacy is committed to empowering our students to meet global challenges in the Pharmacy profession through excellence in education.
- Our highly qualified and committed faculty is constantly exploring newer frontiers of knowledge to build quality pharmacists.
- We believe in honing the overall personas of our students through excellence in academics, co- curricular, and extracurricular activities.
- We strive to develop a sense of social obligation and discipline among our students not only to make them better technocrats but also a better human being.

## Objectives :

- To provide a sufficient understanding of scientific principles and techniques of pharmaceutical sciences.
- To develop comprehensive knowledge and experience.
- To provide exposure to the latest techniques and technologies.
- To teach pharmacy ethics to students.
- To cater to manpower for the globally growing pharmaceutical industry and implementation of drug laws for compliance with regulatory norms.

## Editorial:

### *“Growing Together, One Step at a Time”*

Dear Readers,

Welcome to the latest edition of *PharmaVoice*.

These past few months have reminded us how far we've come, not just in academics, but in the way we support, learn from, and inspire one another. From lab work and lectures to fests, workshops, and late-night study sessions, every moment has been a part of our shared journey.

Pharmacy is more than formulas and dosages: it's about people, purpose, and progress. As future healthcare professionals, we're learning to think critically, care deeply, and lead responsibly. That's something to be proud of.

This issue brings you stories, highlights, and glimpses of the energy that makes our college so vibrant. Let it be a gentle nudge to keep going even when it's tough. Because every small effort, every curious question, and every late submission all count.

Here's to learning, growing, and staying curious together.

*The good physician treats the disease;  
the great physician treats the patient who has it.*

*- William Osler (Father of Modern Medicine)*

## 1. Celebration Of Dr. Babasaheb Ambedkar Birth Anniversary NSS (NATIONAL SERVICE SCHEME)

**Date :** 14<sup>th</sup> April 2025

**Time :** 9:00 am to 11.30 am

**Audience/Attended by :** Staff and Students

**Organized by :** AISSMS College of Pharmacy Association

**Total number of Registered Students:** 31

### Description:

On the occasion of the birth anniversary of Dr. Babasaheb Ambedkar, a speech, a pledge to the constitution, and a rally were organized by the National Service Scheme (NSS) unit of AISSMS College of Pharmacy from the college to Sassoon Hospital. The event saw enthusiastic participation from several students who showcased their skills by speaking on topics related to the life, work, and ideals of Dr. Babasaheb Ambedkar. The occasion was attended by faculty, nonteaching staff, and student volunteers of the college. The program was graced by the principal, Dr. Ashwini R Madgulkar.

## 2. World Earth Day

**Date :** 22<sup>th</sup> April 2025

**Time :** 1:00 pm to 2:30 pm

**Audience/Attended by :** First Year B. Pharm students

**Organized by :** Environment club, Faculty members

(Mrs. Vidya Wable and Mrs. Megha Shah)

### Description:

The demonstration of why waste occurs and its registration for students. The app is operated by the Maharashtra Government. A mobile application focused on water conservation. It aims to educate and inspire users to reduce their water consumption by providing tools like water footprint calculators and water conservation tips. The app is designed to be a resource for individuals seeking to become more water-conscious and take action towards saving water. The app allows users to calculate their water footprint, understanding how much water they use daily. It also provides users with practical tips and advice on how to reduce their water consumption at home and in daily life.

Users can participate in water conservation challenges to further engage in water-saving efforts. The app includes articles and information to educate users about water conservation and its importance. It encourages users to take action and make changes in their daily habits to save water. Users can track their water footprint and monitor their progress towards becoming more water-sustainable.

### 3. Guest lecture for the Celebration of World IP Day

**Date :** 25<sup>th</sup> April 2025

**Time :** 02:00 pm to 03:30 pm

**Audience/Attended by :** M. Pharm students and Teaching staff

**Organized by :** IPR Committee, AISSMS College of Pharmacy, Pune

in association with GenioBrain IP solution

**Total number of Participants:** M. Pharm students- 81, Teaching staff- 35

#### Description:

This year, IP day was celebrated by organizing a guest lecture by Indian Patent Agent and IP Strategist Dr. Saritha Kiran on "The Importance of Secondary Patents in the Pharmaceutical Industry". Secondary patents in the pharmaceutical industry are crucial for extending market exclusivity and incentivizing further innovation. Asha Hole, Founder of Geniobrain IP solution, introduced the speaker, Dr. Saritha Kiran, who gave a detailed lecture on the subject with suitable case studies and examples.

This was followed by a Question and answer session. Dr. Tina Saldanha gave the vote of thanks.

## 4. Credence Resource Management Placement Drive

**Date :** 25<sup>th</sup> April 2025

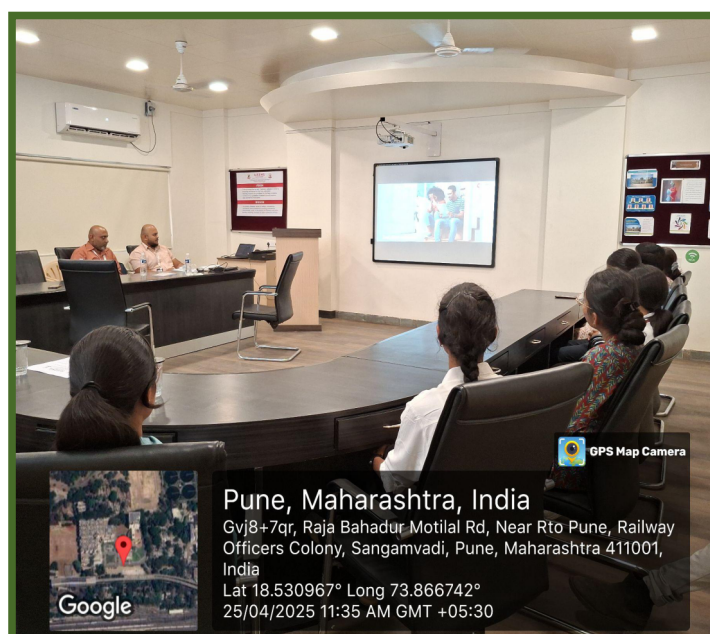

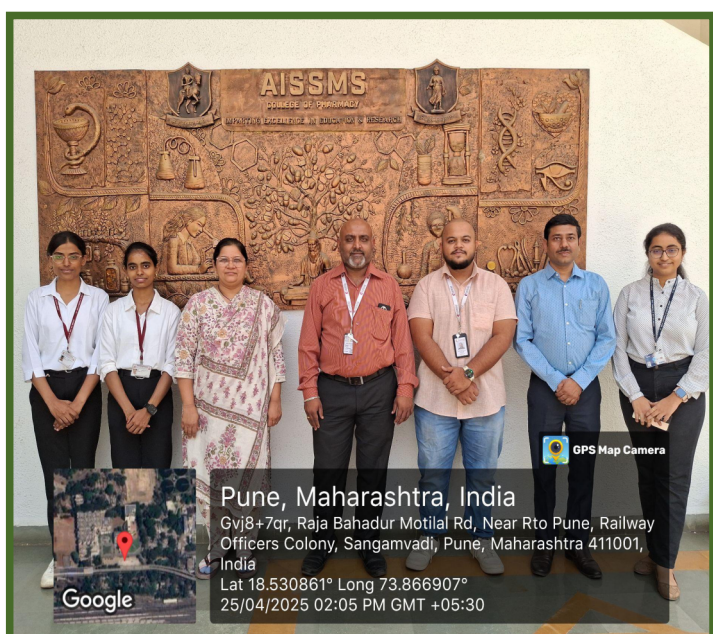

**Time :** 10:00 am to 02:00 pm

**Audience/Attended by :** B. Pharm/M. Pharm students

**Organized by :** TP Cell, AISSMS College of Pharmacy, Pune in association with  
Credence Resource Management, Pune

### Description:

Passing out Batch students of B. Pharm and M. Pharm students of AY 24-25 were given an opportunity to appear for the Interview and Operational round of Screening on 25th April 2025 at our college for the Placement at Credence Resource Management, Pune. A total of 39 students had applied for the interview through an online Google registration form. Out of them, 11 students turned out for the interview. 03 Students Gayatri Sutar (M. Pharm QA), Prachi Divate (B. Pharm), and Mayuri Gawali (B. Pharm) were selected as communicated by the company.

## 5. Farewell 2024-25 (Final year Batch (2021 to 2025))

**Date :** 28<sup>th</sup> May 2025

**Time :** 02:30 pm

**Audience/Attended by :** All Teaching, Non-teaching Staff, Final Year and  
Third Year B Pharm students.

**Organized by :** T.Y. B Pharm Class teachers and students.

### Description:

The Farewell 2024-25 event was successfully organized by the T.Y. Sem VI class teachers, Ms. Tejaswini Jagtap and Mrs. Deepika Jagadale, along with the Third Year students. The programme was held in the college auditorium.

The event began with a heartfelt address to the outgoing students by T.Y. class teachers, Ms. Tejaswini Jagtap and Mrs. Deepika Jagadale. This was followed by motivational speeches from the Final Year class teachers, Ms. Ankita Ingale (Sem I), Ms. Nishigandha Yadav, and Ms. Pooja Lanke (Sem II), who encouraged students to pursue a bright and successful future.

The celebration included a vibrant lineup of student-led activities such as singing, mimicry, games, dance performances, and a cake-cutting ceremony. The event concluded with a group photo session and refreshments.

A highlight of the programme was the announcement of the "Best Outgoing Student," awarded to Mr. Avinash Bharati by Principal Dr. Ashwini Madgulkar.

**Outcome/Usefulness:** Farewell activity is a gratitude paid by junior students to passing out final year students. It is an activity carried out every year and is an important part of co-curricular activities.

## 6. World Environment Day Celebration

**Date :** 05<sup>th</sup> June 2025

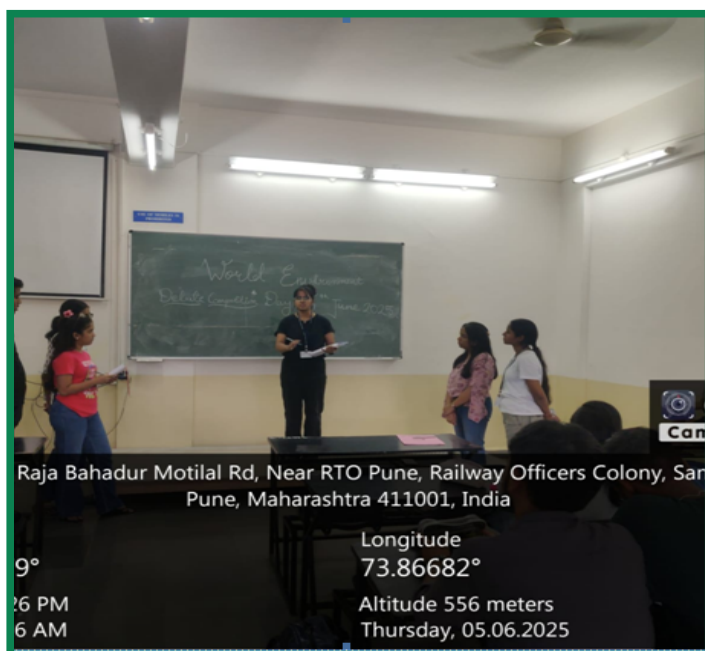

**Time :** 1:00 pm to 2:30 pm

**Audience/Attended by :** 52 students and 3 staff members

**Organized by :** Environment club, Faculty members (Mrs. Vidya Wable, Mrs Megha Shah, and Ms. Niharika Patil)

### Description:

On 5<sup>th</sup> June 2024, AISSMS College of Pharmacy, in association with Green Club Members AISSMS COP, celebrated World Environmental Day at our college with great enthusiasm and participation from students and faculty members. The event was organized by the Green Club of AISSMS COP by conducting a debate competition on "Climate change government of individuals", a program for students about the awareness of sustainability and environmental conservation.

## 7. BHAKTI YOG 2025-2026

**Date :** 21<sup>th</sup> June 2025

**Time :** 7:00 am to 8:00 am

**Audience/Attended by :** Staff and Students

**Organized by :** AISSMS College of Pharmacy in association with SPPU

**Total number of Registered Students:** 31

### Description:

NSS Unit of AISSMS College of Pharmacy took a significant step towards creating awareness towards yoga by organizing a Bhakti Yog activity for Warkaris. The event was organized for the Warkaris of several Dindis as they travel towards Pandharpur. A special Vipassana program was conducted for the devotees by Mr. Pradeep Sonwane, as he led them on a series of yoga and breathing exercises. The entire program was coordinated by Mr. J. W. Gajbe, Mr. Gautam Gundechha, and Mrs. Shubhangi Deshpande

## 8. Food Distribution for Warkaris

**Date :** 21<sup>st</sup> June 2025

**Time :** 7:00 am to 9:00 am

**Audience/Attended by :** NSS Students

**Organized by :** AISSMS college of pharmacy with the Association of APGA

**Total number of Registered Students:** 31

### Description:

NSS Unit of AISSMS College of Pharmacy organized a food distribution drive for Warkaris. The event was organized for the Warkaris of several Dindis as they travel towards Pandharpur. The NSS volunteers and several staff members took part in the distribution of food articles along with caps and uparnas to devotees.

## 9. International Yoga Day 2025

**Date:** 24<sup>th</sup> June 2025

**Time:** 11:00 am to 12:00 pm

**Audience/Attended by:** Teaching and non-teaching faculty as well as PG students.

**Speaker/Resource Person:** Mrs. Shubhada Kulkarni and Tanaya Khanwelkar  
(Niramay Yog Sanstha, Pune)

**Coordinator Names:** Dr. Trupti S. Chitre & Ms. Ankita Ingle

**A total number of participants:** 97

### Description:

The International Yoga Day was celebrated by AISSMS College of Pharmacy on Friday, 24th June 2025, from 11:00 am to 12:00 pm Mrs. Shubhada Kulkarni and Tanaya Khanwelkar conducted the programme as follows:

1. Yoga ek Jeevanshaili
2. Demonstration and actual conduct of Asanas.
3. Meditation and Pranayam

The entire teaching and non-teaching faculty as well as students performed as per the given instructions. The convener of the programme was Dr. Ashwini R. Madgulkar.

## Students' achievements and participations

A national-level competition on the topic "Bridging AI Innovation in Healthcare" was held. Shweta Parikh (PG Poster Presentation), Udayanraj Bhosale (UG Poster Presentation), and Prerna Pardeshi & Madhura Shinde (Oral Presentation – Joint Winners) were declared winners. The competition aimed to foster academia-industry collaboration in AI and healthcare innovation.

## Students' achievements in various competitive exams

Our students have excelled in national-level examinations such as GPAT, NIPER, MET, GATE, BITS, and CUET, showcasing their dedication and academic excellence. These accomplishments reflect the strong academic foundation and guidance provided by the institute.

## College Achievement

AISSMS College of Pharmacy, Pune, has been honored with a Certificate of Excellence in the OBE Rankings 2025. The college has been ranked in the prestigious **Titanium Band: Institution of Academic Excellence** for its consistent pursuit of quality in Outcome-Based Education.

*We cannot solve problems with the kind of thinking  
we employed when we came up with them.*

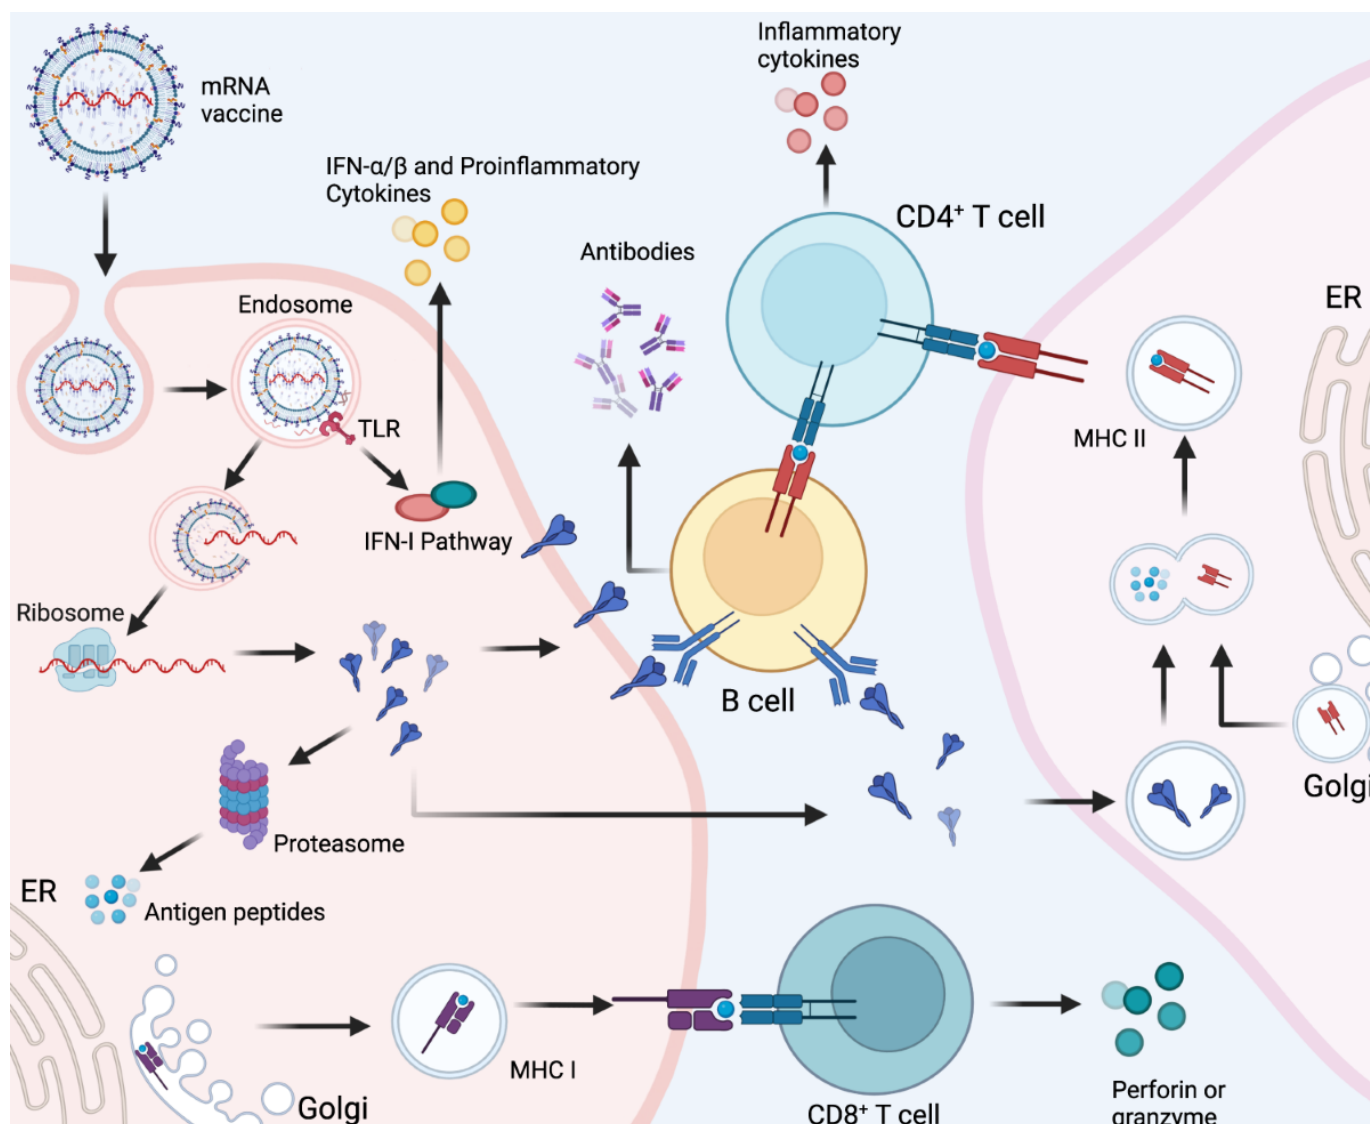

*- Albert Einstein*

## Did You Know:

## Revolutionizing Immunization: The Rise of mRNA Vaccines

In recent years, mRNA vaccine technology has emerged as a game-changer in the field of immunization. Originally studied for cancer and rare diseases, this technology gained global attention during the COVID-19 pandemic. But the potential of mRNA vaccines stretches far beyond one virus — it's reshaping the way we approach vaccination and disease prevention.

Let's explore how this innovative platform is transforming public health and the practice of pharmacy.

## Understanding mRNA Vaccines:

### The Basics

Unlike traditional vaccines that use weakened or inactivated pathogens, mRNA vaccines carry genetic instructions that tell our cells to produce a harmless piece of a virus — typically a protein — which then triggers an immune response. The body learns to recognize and attack the actual virus if exposed in the future.

### 1. Speed of Development

mRNA vaccines can be designed and produced much faster than conventional vaccines. Once the genetic sequence of a virus is known, vaccine development can begin within weeks—a significant leap forward in pandemic preparedness.

### 2. Versatility in Application

Beyond COVID-19, mRNA technology is being studied for vaccines against influenza, Zika, rabies, and even certain cancers. Research is ongoing to target autoimmune diseases and rare genetic conditions, too.

### 3. Enhanced Safety Profile

Because mRNA never enters the nucleus of the cell or alters DNA, the risk of genomic integration is virtually nonexistent. Moreover, mRNA degrades quickly in the body, reducing long-term toxicity concerns.

### 4. Role of Pharmacists

As vaccine specialists, pharmacists are at the forefront — not just in administering mRNA vaccines, but also in educating patients about their safety, efficacy, and importance. The pharmacist's role in public health has never been more critical.

### Final Thoughts

The success of mRNA vaccines marks a monumental shift in pharmaceutical science. For pharmacy students and professionals alike, understanding this technology is essential to preparing for the future of medicine. Innovation is no longer a distant goal — it's happening now, one molecule at a time.

## Scope of Pharmacy:

### The scope of pharmacy in medical writing

Medical Writing is broad and growing, offering diverse opportunities for pharmacy professionals, especially those with strong writing and communication skills.

### Types of Medical Writing Roles for Pharmacists

- **Regulatory Medical Writing Involves:** Writing documents required by regulatory bodies (e.g., FDA, EMA).
- **Examples:** Clinical study protocols, investigator brochures, clinical study reports (CSRs), and regulatory submission dossiers.
- **Pharmacist's role:** Leverage knowledge of pharmacology, pharmacokinetics, and drug development.
- **Scientific/Publication Writing Involves:** Manuscripts for journals, abstracts, posters, and conference presentations.
- **Examples:** Writing or editing peer-reviewed papers or literature reviews.
- **Pharmacist's Advantage:** Scientific training and understanding of drug mechanisms.
- **Examples:** Slide decks for CME (continuing medical education), product monographs, medical newsletters.
- **Pharmacist's Edge:** Understanding drug therapy guidelines and clinical data.
- **Health Journalism/Consumer Health Writing Involves:** Writing for a lay audience.
- **Examples:** Articles for health blogs, magazines, or educational materials for patients.
- **Pharmacist's Strength:** Translating complex drug information into patient-friendly language.
- **Marketing/Promotional Medical Writing Involves:** Writing promotional materials that comply with industry standards.
- **Examples:** Brochures, websites, drug advertisements.
- **Important:** Must balance scientific accuracy with brand messaging and legal requirements.

## Why Pharmacists Are a Good Fit

- **In-depth drug knowledge:** Pharmacokinetics, pharmacodynamics, ADRs, interactions.
- **Regulatory understanding:** Especially if involved in clinical trials or hospital formulary processes.
- **Evidence-based mindset:** Ability to critically analyze clinical studies and literature.
- **Communication skills:** Developed through patient counseling and interprofessional collaboration.

## Career Opportunities

- Pharmaceutical companies
- Clinical research organizations (CROs)
- Medical communication agencies
- Journals and publishing houses
- Freelancing or consulting

## Skills Required

- Proficiency in English (Grammar, Structure)
- Ability to interpret and summarize scientific data
- Familiarity with ICH-GCP, CONSORT, and other guidelines
- Understanding of referencing tools (e.g., EndNote, Mendeley)
- Knowledge of statistical terms and trial designs
- Certification (optional but helpful): AMWA, EMWA, or DIA programs

## How to Start

- Take a medical writing course (Coursera, Udemy, or AMWA)
- Start freelancing with platforms like Upwork, Kolabtree, or Cactus
- Build a writing portfolio with blogs, review articles, or sample work
- Join medical writing forums and LinkedIn groups.

## Scientific Content:

### Sun Pharmaceutical Industries Ltd.

#### Company Overview

- Full Name: **Sun Pharmaceutical Industries Limited**
- Headquarters: **Mumbai, Maharashtra, India**
- Founded: **1983**
- Stock Listings: **BSE and NSE (Ticker: SUNPHARMA)**

#### Business Segments:

- Specialty Pharmaceuticals
- Generic Pharmaceuticals
- Over-the-Counter (OTC) Products
- Active Pharmaceutical Ingredients (APIs)
- Contract Development and Manufacturing (CDMO)
- **Global Presence:** Active in over 100 countries, with major markets in the US, India, Europe, and Emerging Markets.

#### Financial Performance (2024)

- **Revenue:** ₹46,000+ crore
- **Net Profit:** ₹8,000+ crore
- **Market Capitalization:** ₹3,50,000+ crore

#### Focus Areas for R&D

##### Specialty Therapies:

- Focused investment in dermatology, ophthalmology, and oncology segments.
- Novel delivery systems for chronic diseases such as psoriasis, dry eye disease, and multiple sclerosis.

### Biologics and Biosimilars:

- Expansion into biosimilar monoclonal antibodies (mAbs) for autoimmune and oncology indications.
- Developing next-gen biologics targeting interleukin pathways for inflammatory diseases.

### Innovative Drug Delivery:

- Researching controlled-release and targeted-release drug formulations for enhanced therapeutic outcomes.

### Strategic Collaborations and Product Launches

#### ◆ Acquisition of Concert Pharmaceuticals (USA):

- Strengthened dermatology pipeline with the addition of deuruxolitinib for alopecia areata treatment.

#### ◆ Partnership with China Medical System (CMS):

- Exclusive licensing agreement for specialty products targeting the Chinese market.

#### ◆ New Drug Launches (2024):

- Rolled out Ilumya® (tildrakizumab) expansions in global markets for plaque psoriasis.
- Launched Cequa® (cyclosporine ophthalmic solution) for dry eye disease in new territories.

## Theme: WORLD PARKINSON'S DAY (11<sup>th</sup> April)

World Parkinson's Day takes place on 11<sup>th</sup> April every year. However you choose to help, you'll be changing the lives of people with Parkinson's, their careers, and their loved ones. Parkinson's disease is a progressive brain disorder that affects movement, mood, and other aspects of health. It's caused by the gradual death of nerve cells in the brain.

This date marks Dr. James Parkinson's birthday. Dr James Parkinson (1755–1824) was the first person to identify Parkinsonism as a medical condition which he publishing his findings in the article 'An Essay on the Shaking Palsy' in 1817. Interestingly, for Parkinson's disease awareness, it is a red tulip. The official theme for World Parkinson's Day 2025 is "Driving Change Through Collaboration". This theme emphasizes the importance of working together to improve the lives of individuals affected by Parkinson's disease. The day also serves as a reminder to raise awareness, support, and educate the public about the condition, ultimately aiming to make a positive impact on the lives of millions worldwide.

*The pessimist sees difficulty in every opportunity.  
The optimist sees opportunity in every difficulty.*
