Objectives: - To show the creative craft ideas from waste papers.

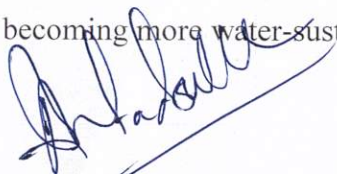

Detailed Description of Activity Attended:

The demonstration of why waste and its registration for students.

The app is operated by Maharashtra Government. A mobile application focused on water conservation. It aims to educate and inspire users to reduce their water consumption by providing tools like water footprint calculators and water conservation tips. The app is designed to be a resource for individuals seeking to become more water-conscious and take action towards saving water. The app allows users to calculate their water footprint, understanding how much water they use on a daily basis. It also provides users with practical tips and advice on how to reduce their water consumption at home and in daily life.

Users can participate in water conservation challenges to further engage in water saving efforts. The app includes articles and information to educate users about water conservation and its importance. It encourages users to take action and make changes in their

daily habits to save water. Users can track their water footprint and monitor their progress towards becoming more water-sustainable.

Report of 18th Kirloskar Vasundhara International Film Festival (KVIFF)

Activity Name: - 18th Kirloskar Vasundhara International Film Festival (KVIFF)

Organized for (students/staff): - Teaching faculty and students.

No of Participants: 10 Students and 02 Staff

Description of Activity:

From January 7th to 10th, 2025, students and faculty from AISSMS College of Pharmacy actively participated in the 18th Online Kirloskar Vasundhara International Film Festival, a renowned platform dedicated to environmental themes. The festival, conducted online, emphasized *Nutritious Food, Healthy Society, and Flourishing Nature*. In addition to the online screenings, exclusive offline sessions were organized daily for students, invitees, and media representatives. These sessions were held from 2:00 PM to 4:00 PM at the Patrakar Sangh Press Room, Navi Peth, Pune. The event served as an excellent learning opportunity, enhancing participants' awareness of environmental sustainability, the benefits of nutritious food, and ways to build a healthier society. Through this engagement, students gained valuable knowledge to contribute positively to both society and nature.

Outcome: The activity successfully enhanced students' understanding of environmental sustainability, healthy living, and the significance of nutritious food for a better society and nature.
