Road Safety Program

17/01/2025

NSS Unit of AISSMS College of Pharmacy took a significant step towards road safety by organizing a road safety awareness program at RTO chowk, Sangamwadi, Pune on occasion of National Road Safety Month- January. This initiative aimed to raise awareness and promote safer roads for all citizens. The primary objective of the awareness programme was to address the growing menace of traffic rule violations and emphasize the necessity of making people aware of the importance of adhering to traffic rules. By promoting awareness and understanding, it aimed to contribute to a safer and more orderly traffic environment in Pune. The event effectively conveyed the message of the importance of adhering to traffic rules and the impact of traffic violations on public safety. The participation of general citizens reflected the collective commitment to creating a responsible and law-abiding community.

Republic Day celebration

Republic Day is a momentous occasion in India, celebrated every year on January 26th to honor the day when the Constitution of India came into effect in 1950, marking the country's transition to a sovereign, democratic republic. AISSMS College of Pharmacy celebrated Republic Day with great enthusiasm and patriotic fervor. This was a vibrant and unforgettable event that brought the college community together to celebrate the essence of India's democratic fabric. The event emphasized the importance of unity, diversity, and the spirit of patriotism that binds the citizens of India. Through such celebrations, the college fosters a sense of national pride and a deeper understanding of the country's history and constitutional values among the students. It also reaffirms the commitment of the institute to nurturing responsible citizens who will contribute positively to the nation's progress and uphold the democratic ideals enshrined in the Indian Constitution. Celebration conducted by various activities 1) Flag Hoisting Ceremony 2) Patriotic Song and Dance Performances 3) Speeches and Inspirational Talks 4) Cultural Showcase 5) Pledge.

Shivaji Maharaj Jayanti Celebration

All India Shri Shivaji Memorial Society's College of pharmacy had celebrated birth anniversary of the great Maratha warrior Chhatrapati Shivaji Maharaj on 19/02/2025. Cultural event was conducted by NSS Volunteers. Shivaji Maharaj Jayanti is an important occasion for the people of Maharashtra and others who admire him as a warrior, king, great administrator, revolutionary, visionary and a legendary icon in Indian history. The celebration of Shiv Jayanti was started by Mahatma Jyotiba Phule, in 1870, and since then, people have been celebrating the day with great zeal. It is a way to salute Shri Chhatrapati Shivaji Maharaj for his contributions to Indian history and culture. The event commenced with a traditional lamp lighting ceremony, paying tribute to the spirit of patriotism that Shivaji Maharaj embodied. The college authorities, faculty members, and students gathered to honor the occasion. Subsequently Shivgarjana Abhiyan in college and NSS Volunteers Participated in padyatra organised by Savitribai Phule pune University NSS Department padyatra started from Lal mahal to Fergusson college (1.5km) distance.

Tuberculosis & G Guillain-Barré syndrome Awareness Activity

Tuberculosis : World TB Day is observed on March 24 each year to raise public awareness and understanding about one of the infectious diseases - Tuberculosis. As per the WHO report the incidence of TB in 2019 is 192/ 100000 population. The patients who are affected by TB will suffer physically, emotionally, socially and economically. There is a need for creating awareness among the general public and health care professionals on tuberculosis management and its prevention. The objective of the role play is to sensitize the public on health and wellbeing. The awareness program encompasses the signs and symptoms, treatment, and prevention of tuberculosis. Mime emphasized early identification of the symptoms, diagnosis, treatment, dietary management, and facilities available from the government to the public. It also highlighted the importance of drug therapy.

Guillain-Barré syndrome (GBS) is a short-term but often life-threatening disorder that affects the nerves in the body. GBS can cause muscle weakness, pain, and short-term (temporary) paralysis of the muscles in the face, chest, leg, and those used to swallow. Paralyzed chest and swallowing muscles can lead to breathing problems, choking, and death if not treated. So preventive measure should taken in accordance disseminate safety measures, food safety guideline, and hand washing practices through NSS Awareness Activity.

NSS Unit of AISSMS College of pharmacy conducted this program and did presentation and video shown to the students. Explaining severity if was not taking timely action. This session was conducted on 27/02/2025 4.00pm
