Accredited by NAAC with A Grade

Objectives: To monitor and improve outcomes of

- Research & Review publications
- Grants
- Collaborative research
- Patents
- IPR course
- Research incentivization
- Research ethics

Policies:

The RAC will meet **thrice** in an academic year and discuss about means to improve research publications of all faculties in indexed journals (SCOPUS/Web of Science & UGC CARE listed journals), encourage and provide support to faculty for patent applications, application for grants to different funding agencies and encourage collaborative research. It will ensure that research ethics are diligently followed. The committee will also review status of PhD research. Research incentive policy and implementation thereof will be reviewed as required. The committee will ensure dissemination of appropriate information to enable faculties to build and fortify their research profile. Additional meetings may be conducted as per recommendations of the

Chairperson.
